Dear Valued Community Member,

Thank you so much for your support for Moms on the Mountain over the years. Last year was one of our most successful years for Moms! Thanks to your generous contribution we were able to raise over \$20,000 for our schools which has enabled us to enrich our student's education with things like a Lego room, new STEAM equipment such as 3D printers, and from last year's bounty, new projection and audio equipment for our school assemblies.

It is with a heavy heart that we have decided to cancel this year's Moms on the Mountain event. We were so excited to have Moms this year at Donner Ski Resort as our new venue! They have a lovely outside seating area and delicious food that would have provided a wonderful environment for a day of hiking and socializing. Please consider going up for a socially distanced hike on their property and stay tuned to our Facebook page and website www.momsonthemountain.com in case we are able to organize some sort of a fun get together if the pandemic guidelines change.

We are looking forward to next year's Moms on the Mountain event and your continued support of our students. Although we aren't able to host this event this year, would you consider still contributing a donation this year so that we can keep the spirit of the event present in these challenging times and continue to support our students?

If you are able to make a tax-deductible donation, please make checks out to NCSF, PO BOX 1527, Nevada City CA 95959. If you prefer to make a donation online, you may do so at www.facebook.com/momsonthemountain/ and visit our fundraiser.

Thank you so much for supporting our students and our mission of sisterhood!!

Wishing you all the best,
