

MOMS on the Mountain

As you may know, MOMs on the Mountain has been one of the largest fundraisers for the Nevada City Schools Foundation (NCSF) in past years. This year we are at it again and hope to make this one the best year yet. The monies raised from MOMs directly affects all the students in the Nevada City School district and helps them have a more enriched education. For the next few years, NCSF will focus its funding goals primarily towards the implementation of STEM curriculum in the Nevada City Schools. In addition to that, we have partnered with Girls Who Code, a county-wide program that benefits girls from EVERY school in the county. This way, your contribution has the opportunity to impact even more children and provide them the opportunity to learn crucial skills for their future.

As enrollment continues to decline and the state budget is uncertain, we must work even harder to offer the extras our children deserve. If you are able to support MOMs, we would be so grateful. Your company will receive advertising recognition and the gratitude of the children and parents in our community.

Below are the different sponsorship levels for 2017:

The Summit--\$1,000 - Prominent placement of your company name and logo on our website, all printed materials and advertising, recognition on event day. Two (2) tickets to the event (a \$150 value)

The Cliffhanger--\$500-\$999 - Your company name and logo on our website, all printed materials and advertising, recognition on event day. Two (2) tickets to the event (a \$150 value)

The Climber --\$250-\$499 - Your company name on our website, all printed materials, and recognition on event day.

The Cascade --\$100-\$249 - Recognition on event day.

MOMs has received many awards that attest to its success: The Consortium of Education Foundation of California "Apple Award" for successful innovative school fundraiser, the Voices Award in 2003 and a feature in O Magazine, honoring our event as one of only 100 special community events across the nation.

We hope that you will continue to show your financial support and use the enclosed sponsor contract to indicate your commitment by September 15, 2016. Once we receive your response, we will return a signed copy for your records, along with our 501c (3) information. Thank you in advance for your consideration. Our community is better because of your involvement and support!

Sincerely and gratefully,

Laura van den Berg
